We offer our clients beautiful, art-quality pottery from the United States and around the world. We work with the finest manufacturers and distributors available to provide you a large selection of gorgeous designs, styles, and colors. Available pottery materials include the most popular ceramic, fiberglass, concrete-reinforced fiberglass, resin, and more.

Some of our brand names include: *Lechuza, Architectural Supplements, New Pro Containers, New England Pottery, Norcal Pottery, plus many more.*

Guaranteed Pottery and More also offers a wide array of the best silk plants, exotic tropical and flowering greenery manufactured, living plants & Christmas décor. We are able to provide our clientele with the finest materials, and offer discounted prices.

Now you can choose from the best without traveling out of town!
Call **201-8042** now to see how to beautify your home and office, interior and exterior!

Sincerely,

Reenie Davis Hale
